The First EA Research Meeting

Sandeep Purao, Ph.D.
Research Director, Center for Enterprise Architecture
The College of Information Sciences & Technology
The Pennsylvania State University
The EA Research Group

Center for Enterprise Architecture

Research Group

Education Group
Mission

• Advance the discipline of EA by creating new knowledge that showcase a partnership between academe and industry.
• Support an EA research agenda that is both
  — academically viable, and
  — valuable to the industry partners
Our KPIs

• Key metrics for the research agenda:
  – Research outcomes in academic outlets, and
  – Presentations in industry conferences, and
  – Reports, Tools and Guidelines for circulation to this group.
Core Advisors

- Scott Bittler, Gartner
- John Sweitzer, IBM
- Con Kenney, National Defense U.
The Road So Far

EA Research Meeting, **Sept 2009**
